London Marathon Club Draw Rules

As a UK Athletics Affiliated Running Club we are given one guaranteed Virgin London Marathon place. This may increase according to the number of individual club members who have registered with UK Athletics.

To be eligible for entry to the draw for the Club Marathon places the following criteria must be satisfied:-

- **Must have**

- A London Marathon rejection slip
- Been a member of the club for at least a year
- Be a First Claim and a Full or Life Member of the Flyers
- Either assisted at, or provided an assistant for a club race in the previous year or provided assistance with the organisation of the club

- **Must not have**

- Run or had an entry for the previous year's London Marathon

If we are given extra place(s) due to the number of individual club members who have registered with UK Athletics then all members who satisfy the above criteria will be eligible for the draw for the first place but only registered members will qualify for the second and subsequent places. If there are not enough eligible registered members for the number of places on offer then the rules may be relaxed.
