Race pack

Sunday 12th April 2026 10:00am

Welcome

Thank you for entering the Flitwick 10k. Starting in 1989, the Flitwick 10k has become an integral part of the local racing calendar every spring. Over the past 35 years, we have welcomed thousands of runners from the local area and we are delighted that we can welcome you to our 2026 race.

Please read this document carefully in advance of Sunday April 12th (race day) so that you can enjoy the race to its fullest.

We are delighted that the 2026 race is again powered by Everyone Active, the longest-established leisure operator in the UK. Each year, we try to make small improvements and last year Everyone Active's involvement helped add to the race experience for runners and we have more exciting plans for this year.

In this pack you will find everything you need to ensure that your participation in the Flitwick 10K is as enjoyable as possible. A map is enclosed to help you find the race HQ. Please remember that **you collect your chip and race number on the day** – please arrive in good time to do this and simply find a volunteer who will allocate your number.

I would like to take this opportunity to thank everyone who has worked tirelessly to make this year's event possible and, once again, you will be encouraged at every step of your race by Ampthill & Flitwick Flyers Running Club's amazing and vocal volunteer marshals. Special thanks to our supports and sponsors without whom the race would not be possible.

We are also extremely proud that the race enables the Club to make a large charitable donation – over £5,000 last year – and you can find more details on this year's charity, which is always nominated and selected by club members, in this pack together with details on how you can support their valuable work.

We hope that you have a successful and enjoyable run. And don't forget to enter our fast and friendly Marston 5k in June.

Time limit

There are no time limits or cut offs for our races. We encourage runners of all abilities to join in our races. We do kindly remind everyone that this is a running event involving local road closures so we ask you to consider the implications of entering if you are likely to take more than 10 minutes per kilometre.

Toilets and a baggage area are available at Race HQ. If you intend leaving baggage, please bring a tie label with your race number on it to put on your baggage. Kit storage is at the owner's risk. There are no showers.

Photography

We regret that we may not have the services of a professional photographer this year but will be taking photos around the course to be displayed on the race website. Due to the large number of runners we regret that we cannot guarantee every runner will feature in a photo. But don't forget to look out for the selfie frame at the start and finish and upload your photos to our Facebook page.

Race Information

Race Assembly, Start and Finish

Race entrants are asked to assemble on Flitwick recreation area, adjacent to the Race HQ for the race briefing at 9:40am. This will be followed by a warmup, organised by Everyone Active at 9:45am. Marshals will then supervise your transfer onto Temple Way. Late arrivals will be directed to the back of the pack via bottom corner of the field so as not to congest the start area.

A digital clock will display the time at the finish line, which is identified by an inflatable gantry on Millennium Green. Please ensure your race number is clearly visible to officials.

When you have crossed the finish line, please move away from the finishing funnels as quickly as possible, so this doesn't cause confusion with the marshals or cause a bottleneck of runners.

The race will start at 10.00am prompt

The Course

A fast, undulating course that is based on the original Flitwick 10K. The course is measured and deemed accurate by an official course measurer (Course Measurement Certificate No 24/438).

The race starts on Temple Way. Up a gentle incline and then right onto Eagle Drive before turning right onto Manor Way [1K]. Left onto Steppingley Road and enjoy a quick second kilometre along the flat. Left onto Flitwick Road [2K] which winds past Drovers Arms [3K] then climbs through a tight right and into Steppingley village.

Over a T-junction by the French Horn (Public House) and onto Rectory Road which falls away quickly on towards the 4K mark. Fields are replaced by woodland.

A steady climb up to a water station just before the 5K mark then the course descends to a left turn onto Cobblers Lane. A series of small undulations and then cross a staggered crossroads. Woodland is banked up on the left at 6K and then left into Church Rd, with a steady climb to 7K. Undulating countryside past Priestley's Farm on 8K and then back into Flitwick on 9K. A final short hill and then Temple Way falls away steadily, left onto Flitwick recreation area and the finish is in sight.

Water stations

There will be a water station around 5K, additional sponge station may be provided at 7K should weather conditions dictate it. Water is also available at the finish.

Kilometre Markers

Distance markers will be placed along the course at 1K intervals, except the 10K point. Signs are positioned as near as possible to the location indicated by the official measurer.

Race Etiquette

Please keep to the left side of the road unless directed to do otherwise. Marshals have no powers to stop or direct traffic therefore all runners are responsible for their own safety. Please remember to respect and thank marshals as you are passing. They have all given up their time voluntarily to ensure the event runs smoothly. Any runner deliberately disobeying marshals' or officials' instructions may face disqualification

We regret that dogs are not allowed on the course.

Headphones

The Race Director has taken advice and, in line with current UKA competition rules, the wearing of headphones or similar devices (including but not limited to earbuds and skull conductor types) is not permitted as the course is not closed to traffic unless medically prescribed, in which case you are asked to notify the Race Director in advance.

Anyone wearing them when on the course will be disqualified from the race

Charity

Every year AFF donates a large proportion of net income after costs of our races to the charity we have selected. Last year, we were able to donate over £5,000 to a local charity – Above & Beyond – in recognition of the support it has provided to a family member of two long serving club members.

This year's chosen charity, nominated by club member, Jane Swinburne, is Appledown Rescue and Rehoming Kennels.

Appledown has a simple aim: 'to give each stray and unwanted dog a warm bed, good food, medical treatment and love until, when the time is right, we find them a home. Our hope is that home is forever, where they can finally live the life of a much-loved pet, the life every dog deserves. We will never put a dog to sleep unless for medical or psychological reasons.'
